

Application No. 10/717,792  
Amendment dated October 4, 2004  
Reply to Office Action of June 7, 2004

**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application.

**Listing of Claims:**

Claim 1 (currently amended). A nonwoven fabric having an expansive surface comprising at least one foreground region comprised of one or more raised portions and a background region from which said foreground region extends in a Z-direction of said fabric, wherein said foreground region comprises one or more performance or aesthetic enhancing additives applied only to said foreground region of said expansive surface, and said background region of said expansive surface comprises one or more performance or aesthetic enhancing additives and said foreground and background performance or aesthetic additives are dissimilar from one another.

Claim 2 (currently amended). A wipe having an expansive surface comprising at least one foreground region comprised of one or more raised portions and a background region from which said foreground region extends in a Z-direction of said fabric, wherein said foreground region comprises one or more performance or aesthetic enhancing additives applied only to said foreground region of said expansive surface, and said background region comprises one or more performance or aesthetic enhancing additives and said foreground and background performance or aesthetic additives are dissimilar from one another.
